Assessment result

S Pass

You qualify for an **S Pass** (subject to quota availability) based on the information provided.

This assessment is an indication of your eligibility. It does not guarantee the actual outcome as there are other checks such as your employer's eligibility and your history.

What to do next?

If the assessment result shows that:

- You are eligible for an EP or S Pass, your employer can submit the application Online.
- You are not eligible for an EP or S Pass, refer to the Employment Pass or S Pass page for details on who can apply.
